Wyoming Rules of Appellate Procedure

Rule 10.06. Time for Filing Costs and Fees.

Any motions for costs or fees shall be filed with the court within 15 days after the final written opinion or order is filed. For good cause, or absent objection, the court may extend the time prescribed by this rule.

~~Comment. — The addition of Rule 10.06 is to eliminate the jurisdictional problem raised when costs and fees are sought after the case has been closed.~~
