**WYOMING SUPREME COURT – AGENCY 101**

The Supreme Court's budget consists of seven programs: Administration, Judicial Nominating Commission, Law Library, Circuit Courts, Court Technology, Judicial Retirement, and Board of Judicial Policy and Administration.

**INTRODUCTION: WHAT THE JUDICIAL DEPARTMENT DOES**

Under the Wyoming Constitution, the judicial power of the government of this state "shall be vested \* \* \* in a supreme court, district courts, and such subordinate courts as the legislature may, by general law, establish and ordain from time to time." Wyo. Const. art. 5, § 1; Wyo. Const. art. 2, § 1. The Supreme Court has general appellate jurisdiction statewide in both civil and criminal cases; it also has "general superintending control over all inferior courts, under such rules and regulations as may be prescribed by law." Wyo. Const. art. 5, § 2. The Supreme Court has original jurisdiction in quo warranto and mandamus as to all state officers and in habeas corpus. Wyo. Const. art. 5, § 3. The Supreme Court also has power to issue writs of mandamus, review, prohibition, habeas corpus, certiorari, and other writs necessary and proper to the complete exercise of its appellate and revisory jurisdiction. Wyo. Const. art. 5, § 3. Five justices, one of whom serves as the chief justice, sit on the Supreme Court. Each justice serves an eight-year term and may hold successive terms upon retention by the statewide electorate. Wyo. Const. art. 5, § 4.

By statute, the Supreme Court manages and supervises the circuit court system created by the Legislature. W.S. 5-9-102. All 23 of the state's counties have elected to establish the circuit court system. W.S. 5-5-102 and 103. Twenty-four circuit judges and six full-time magistrates serve in these courts.

Statutes relating to the state's courts are found in W.S. 5-1-101 through 5-12-103. The statutes which specifically relate to the Supreme Court are found in W.S. 5-2-101 through 502. Of particular note, the Supreme Court has extensive rule-making authority, W.S. 5-2-113 through 119, including rules relating to the practice of law and procedures relating to review of decisions in cases originating in a municipal court or a circuit court. The Supreme Court also "superintend(s) and direct(s) all expenditures of money for the law library." W.S. 5-2-501.

As an independent, co-equal branch of state government, the judiciary exercises the state's judicial power to ensure to all of the state's citizens the protection of civil, political, and religious liberties secured by the state constitution. Wyo. Const. art. 1 and Preamble. The mission of the Supreme Court is to ensure that all courts exercise their respective judicial powers within the bounds of the state constitution and the laws of the state so that "(a)ll courts shall be open and every person for an injury done to person, reputation or property shall have justice administered without sale, denial or delay." Wyo. Const. art. 1, § 8.

In order to exercise its judicial powers, the Supreme Court must maintain a support staff of well qualified and adequately compensated employees to assist the justices and judges as they carry out their constitutional and statutory duties and responsibilities.

**EXPENSE ORGANIZATION OVERVIEW****ADMINISTRATION – STANDARD BUDGET REQUEST**

The Administration division provides administrative and fiscal support to all circuit courts, district courts, the Supreme Court Clerk's office, the chambers of the five Supreme Court Justices, and the other divisions of the Supreme Court (Library, Court Technology, etc). Articles 2 and 5 of the Wyoming Constitution and Wyoming Statute §5-2-101, et seq., establish the Supreme Court. The Administration program includes the personnel and operating costs of the Court's decision-making and opinion-drafting functions: the justices' offices, the law clerks, the clerk's office and related costs. The program also entails payroll, accounts payable, budget and other management assistance to all courts, rule drafting, and liaison functions with other organizations and entities.

SUPREME COURT GOALS:

1. To produce well researched, well written, and prompt opinions properly interpreting the law.
2. To provide administrative and managerial support to ensure the effective and efficient operation of all state courts.

REVENUE COLLECTED

Collected Revenue	FY 2016	\$12,710
Collected Revenue	FY 2017	\$12,225
Estimated Revenue	FY 2018	\$12,500

Consequences of Inadequate Funding:

If the Court does not receive adequate funding, it cannot meet its constitutional and statutory responsibilities. The quality of service would be severely affected and justice would not be served. Inadequate funding could result in a delay of judicial services causing a severe backlog of cases. It could also result in insufficient administrative support functions to courts state-wide.

**EXPENSE ORGANIZATION OVERVIEW****PRO SE DOCUMENTS**

In 2002, the Wyoming Supreme Court established a committee titled the Citizens Access to Courts Committee (CACC) that authored seven pro se packets to assist the general public when filing divorce and child support documents within the district courts. In 2013, a Pro Se Packet Committee was formed to update and conform the packets to legislative changes. Since that time, with the assistance of the Access to Justice Commission and Equal Justice Wyoming, eleven additional packets have been created. The available packets to date are:

1. Divorce with Minor Children – Plaintiff
2. Divorce with Minor Children – Defendant
3. Divorce with No Children – Plaintiff
4. Divorce with No Children – Defendant
5. Child Support Modification – Petitioner
6. Child Support Modification – Respondent
7. Custody and Child Support Modification – Petitioner
8. Custody and Child Support Modification – Respondent
9. Order to Show Cause (Contempt of Court) Forms
10. Miscellaneous Forms
11. Establishment of Custody, Visitation and Child Support – Petitioner
12. Establishment of Custody, Visitation and Child Support – Respondent
13. Abatement Forms and Procedures
14. Guardianship of a Minor – Petitioner
15. Guardianship of a Minor – Respondent
16. Termination of Guardianship (Minor) – Petitioner
17. Termination of Guardianship (Minor) – Respondent
18. Miscellaneous Forms for Guardianship Actions

The packets can be purchased by the public at each Clerk of District Court's Office or downloaded from the Wyoming Judicial Branch website. The Supreme Court orders hard copies of the packets, at the clerks' request, which are distributed monthly to the district court offices. The clerks collect a \$10 copy fee per packet, and the fee is remitted to the Supreme Court to cover costs associated with printing and maintaining the packets, and creating and automating additional packets. A special revenue account was established for deposit of these augmenting revenue funds.

At the request of the Wyoming Supreme Court and the Access to Justice Commission, the Divorce Without Children packet has been automated and is also available on the Wyoming Judicial Branch website. It presents the packet in an online interview format that allows the plaintiff to enter much of the information only once, which then populates the pertinent fields throughout the forms. Additional packets will be automated as time and resources allow. The forms are automated by Equal Justice Wyoming staff, but the project relies heavily on the support of the Wyoming Supreme Court's IT Department, which built the public access portal for the forms.

### STANDARD BUDGET REQUEST NARRATIVE

200 Series – Supportive Services: The 200 series funds are used to provide payment of printing and administrative costs.

900 Series – Contractual Services: The 900 series funds are used to provide contract services when the packets are updated.

**EXPENSE ORGANIZATION OVERVIEW****CHILDREN'S JUSTICE PROJECT**

The Children's Justice Project (CJP) is a federally funded program intended to assure timely and fair outcomes for abused and neglected children who are involved in the Wyoming juvenile courts. The work of the project is guided by an advisory council that is chaired by Justice William U. Hill. The council includes representatives from the district court bench, the Attorney General's Office, Department of Family Services (DFS), the Public Defender's Office and Guardian ad Litem Division, county and prosecuting Attorneys, the legislature, Court Appointed Special Advocates, foster care alumni, Clerks of District Court, parents' counsel, and the court administration. CJP develops and updates a strategic plan each year that guides CJP activities and projects. Activities and projects fall under two outcomes outlined in the strategic plan: (1) improve the timeliness and quality of hearings in Wyoming child welfare proceedings and (2) collaboratively partner with the child welfare agency to improve the quality of hearings, review data and implement interventions. The primary efforts of the project this biennium include: development and implementation of continuous quality improvement processes that track and monitor juvenile court case timelines, a court observation project, development of a juvenile court module within the district court case management system, assistance to DFS in the development and implementation of a program improvement plan as required by the recent child and family services review, participation in IV-E reviews, development and updating of handbooks, manuals and resources for judges, guardian ad litem, parent attorneys and prosecutors, scholarships to attorneys and judges to attend important trainings, and development of monthly and annual trainings for professionals and consumers of the system.

Agency Name: Supreme Court	Agency Number: 101
Approp. Org. Name: Judicial Projects	Division Number: 0100
Expense Org. Name: Credit Card Convenience Fees	Unit Number: 0109

**EXPENSE ORGANIZATION OVERVIEW****CREDIT CARD CONVENIENCE FEES**

In 2006, Wyoming's circuit courts began accepting credit cards through an internally-developed on-line payment system known as E-Pay. In order to pay the transaction fees that are charged by the credit card companies, the circuit courts collect a convenience fee when the customer pays a fine/fee by telephone or E-Pay. The convenience fee is remitted to the Supreme Court monthly, deposited into a special revenue account, and then used to pay the monthly transaction charges. Individuals who walk into the Courts to pay a fine by credit card are not charged a convenience fee.

200 Series – Supportive Services: The 200 series funds are used to provide payment of transaction charges.

**EXCEPTION BUDGET REQUEST**

**\$(500,000) – Miscellaneous Payments 0255:** The most challenging component of operating the internal E-Pay system is maintaining PCI (Payment Card Industry) compliance. This required set of compliance standards relates to the way an entity collects, stores, processes, and transmits cardholder data. The time, expertise, cost, and risk involved in the Supreme Court achieving and maintaining PCI compliance has become prohibitive. The Supreme Court is in the process of moving all credit card processing functions to an outside vendor. Under this arrangement, the Supreme Court will no longer collect or store cardholder data. Additionally, the new credit card payment system interfaces directly with the circuit courts' case management system, which will promote efficiency and accuracy and reduce data entry. This negative exception request will eliminate this special revenue account, as the Supreme Court will no longer directly collect or pay credit card transaction fees.

Agency Name: Supreme Court	Agency Number: 101
Approp. Org. Name: Administration	Division Number: 0100
Expense Org. Name: Equal Justice Wyoming	Unit Number: 0120

**EXPENSE ORGANIZATION OVERVIEW****EQUAL JUSTICE WYOMING – STANDARD BUDGET REQUEST**

Equal Justice Wyoming (Equal Justice) is a judicial branch entity authorized and funded by the Wyoming Civil Legal Services Act, Wyo. Stat. §§ 5-2-121 et. seq. The legislative effort was spearheaded by the Access to Justice Commission, chaired by Chief Justice E. James Burke. The Act provided for an increase in court filing fees of \$10. The fee is deposited into a special revenue fund, which is used to provide civil legal services for financially eligible citizens throughout the state. As of September 2017, the fund had accumulated approximately \$3.6 million. The Act charges Equal Justice with developing a statewide program for improving access to justice and providing civil legal services to Wyoming's low-income population. Equal Justice is dedicated to helping income-eligible individuals in Wyoming connect with legal resources and find ways to address their legal needs.

The program's challenge is to increase legal services and resources to eligible individuals. This is the highest priority of Equal Justice. The program recognizes that meeting the significant needs of the income eligible requires much more than just hiring a few more lawyers to represent clients. A greater number of individuals can be served through cooperation with existing legal aid providers and establishment of new and innovative delivery methods of legal services. Equal Justice therefore focuses on the coordination and expansion of existing services, developing new partnering relationships in underserved areas, and creating the infrastructure and capacity necessary to make legal resources both available and user-friendly to thousands of needy individuals in a centralized location or process.

Equal Justice can have the greatest impact by leveraging resources among existing providers, supporting and funding new, community-centered legal service organizations, expanding information and resources for pro se litigants, and addressing barriers to the justice system faced by the low-income population of Wyoming.

As contemplated by the Act, Equal Justice has become the "hub" for the civil legal aid community. The program has used the experience of its staff to assist other legal aid programs and providers in Wyoming in developing efficient intake processes, implementing a statewide hotline, and providing other assistance to Wyoming's legal aid programs. Through these collaborative efforts, Equal Justice is in a better position to facilitate and coordinate statewide legal services.

Equal Justice continues to utilize technology to efficiently serve the needs of our large rural state. The program is at the forefront of innovative approaches to providing support for pro bono and legal services attorneys throughout the state, as well as providing legal information and resources for the public.

Equal Justice continues to expand the amount of grants awarded to legal aid providers across the state to provide legal assistance and representation to qualified individuals throughout Wyoming. Equal Justice is the single largest funder of civil legal aid in Wyoming. Equal Justice's funds have enabled new and existing legal service providers to expand legal services to many individuals that would have otherwise been without the services of a lawyer. In total, through Equal Justice and Equal Justice funded programs, more than 6,700 individuals received some form of direct legal assistance from an attorney over the past two years.

**EXPENSE ORGANIZATION OVERVIEW****JUDICIAL NOMINATING COMMISSION**

The duties and structure of the Judicial Nominating Commission are set forth in Wyoming's Constitution and statutes. Article 5, Section 4 of the Constitution establishes the Commission. W.S. 5-1-102 and 5-1-103 describe the duties and the terms of the members, as well as specifically providing for the reimbursement of actual and necessary expenses of the members. The members of the Commission do not receive fees, salary, or other compensation.

The Judicial Nominating Commission meets only when it becomes necessary to fill a vacancy in the positions of justices of the Supreme Court and judges of the district and circuit courts. The Commission's objective is to submit three names to the Governor, who then makes the final selection.

Consequences of Inadequate Funding:

The Nominating Commission will not be able to fulfill its constitutional and statutory requirement of filling judicial vacancies if it is not adequately funded.

The majority of budgeted funds is for in-state travel of commission members. Interviews with applicants are always conducted in person, in the community in which the vacancy occurs. Small amounts are requested for office supplies and communication.

**STANDARD BUDGET REQUEST NARRATIVE**

200 Series – Supportive Services: Funds appropriated are used to provide the necessary operating costs associated with the interviewing and selection of judges statewide.

**EXPENSE ORGANIZATION OVERVIEW****LAW LIBRARY****2019-2020 STANDARD BUDGET REQUEST**

The mission of the Wyoming State Law Library is to serve the Wyoming judiciary, members of the Wyoming State Bar, the Wyoming Legislature, and the public by acquiring and maintaining appropriate legal resources that contribute to the process of providing just and timely resolution of all matters before the courts. Fulfillment of this mission requires timely, adequate, accessible, and effective resources that meet the current and future needs of the courts and library patrons.

Accessibility of Law Library materials are offered through the state-wide computer library catalog (WYLDCAT). Any person with a valid Wyoming library card, regardless of location, can view information about the Law Library collection and can request items from the State Law Library using the Interlibrary Loan (ILL) service.

The State Law Library holds roughly 18,000 cataloged books. This collection consists of a wide variety of legal materials including federal, state, and tribal resources. Wyoming-specific items such as Wyoming Reporters, Wyoming Statutes, and Wyoming legal treatises are heavily used and updated continuously. Local newspapers and other periodicals are also made available to patrons.

Any patron visiting the Law Library in person may use, free of charge, legal databases such as Westlaw, LexisNexis, HeinOnline, and Gale LegalForms Library. Westlaw is a popular legal database that provides access to both primary and secondary legal sources for Wyoming. A subscription to this particular database can be quite expensive and patrons who use this valuable resource have extended gratitude for its availability. HeinOnline, another popular database, provides easy access to thousands of law reviews, federal statutory and administrative materials, a historical archive of state statutes, and additional materials. HeinOnline is offered to 5 County Libraries and the State Library at a greatly reduced price. It should be noted that, although a valuable resource, electronic tools such as databases and the internet cannot replace properly trained law librarians, who have the skills to maneuver through complex legal research problems.

In addition, the State Law Library provides reference and research services. Research assistance requests can be submitted in person or by telephone, fax, or email. Other services provided by the Law Library include the production and distribution of summaries of Wyoming Supreme Court decisions as they are released for publication. The intention of this listserv is to provide a scholarly forum promoting the exchange of ideas, opinions, and information relevant to Wyoming law professionals.

In January 2017, the Judicial Learning Center, which is located in the Law Library, was opened to the public. The Judicial Learning Center contains interactive exhibits that teach children and adults about the rule of law. The Center is operated by Law Library staff who schedule school visits, provide instruction and information during visits, maintain the exhibits and material contained in the Center, and update and maintain the Center's website. Approximately, 1000 to 1500 individuals visit the Center each year.

- Continue with collection development with the goal of meeting patrons' needs and abiding by the standards set forth by the American Association of Law Libraries.
- Continue educational outreach initiatives to keep all patrons aware of the Law Library's valuable legal resources and its services.
- Continue to provide exceptional services to all patrons.
- Continue to bring the law library to current standards and best practices
- Continue to operate the Judicial Learning Center

### CIRCUIT COURT PROGRAM

The circuit court program encompasses appropriations and expenses for the operation of the state circuit courts pursuant to the Wyoming Constitution and W.S. 5-9-101, et seq., W.S. 1977. These 24 circuit courts have been consolidated into one program for purposes of consistency and flexibility. While the circuit court budgets are itemized by circuit, funds for each of the courts are kept in separate sub-budgets on the WOLFS system to provide individual circuit court accountability.

Twenty-three counties with 24 circuit court judges and six full-time magistrates are part of the state circuit court system.

In addition to the sub-budget for each circuit court there are sub-budgets for the common jury fund, a common equipment fund, a special court magistrate fund, and an examination of courts fund.

## JURISDICTION

The circuit courts' jurisdiction was expanded in 2011. Circuit courts have jurisdiction in misdemeanor criminal cases and they conduct preliminary examinations of persons charged with a felony. Activities in the circuit courts include the issuance of arrest warrants or summonses, the issuance of search warrants and the conducting of initial appearances for persons arrested in addition to the preliminary examinations. Circuit courts now have jurisdiction over civil cases when the recovery requested does not exceed \$50,000. In addition, circuit courts have jurisdiction over certain family violence, stalking, and sexual assault matters. Circuit court judges also function as district court commissioners if appointed by district court judges.

The following chart shows the composition of case filings in the circuit courts for Fiscal year 2017.

**CONSEQUENCES OF INADEQUATE FUNDING**

The circuit courts have a high and varied caseload. Cases differ in complexity and time-intensiveness. Personnel costs account for 94 percent of the circuit court budget and 6 percent is for the supportive services, central services, and professional fees. If the circuit court program does not receive adequate funding, it cannot meet its statutory requirements. The quality and quantity of services provided would be severely affected and justice would not be served. Inadequate funding might also affect the hours the courts could be open to the public. Lack of appropriate funding would result in delay of judicial services, causing a severe backlog of cases and possibly inadequate accounting or revenue and delay in forwarding funds to the state and county.

**EXPENSE ORGANIZATION OVERVIEW****COMMON JURY FUND**

The Constitution guarantees citizens the right to a jury trial. Adequate funds must be available in the Jury Fees category to cover this expense. In accordance with W.S. 1-11-303, jurors are paid \$30.00 for each full or partial day of attendance.

It has been determined by a consensus of the circuit court judges and Court Administration that calling an average of 20 jurors per trial is necessary to have sufficient jurors to sit after the attorneys have made their respective challenges. In very small communities, or when defendants are well known, there is often a need to increase the number of jurors called to ensure a panel can be selected. Based on 20 jurors per trial, the cost of holding a trial is \$600 per day. Jurors are also paid for mileage when they travel over 5 miles to the courthouse. This can raise the trial cost substantially given the rural nature of our state.

**STANDARD BUDGET REQUEST NARRATIVE**

**200 Supportive Services:** Funds in this category are used to pay the expenses necessary for a jury trial, including jury fees, bailiff fees, meals, mileage, etc. This fund is currently used by the 24 circuit courts.

**EXPENSE ORGANIZATION OVERVIEW****EXAMINATION OF COURTS**

Over \$30 million passes through the circuit courts on an annual basis, and a large portion is in cash. Consequently, consistent internal audits are imperative. When the Supreme Court first began auditing the circuit courts, there were 16 circuit courts. Since that time, circuit courts have been established in all 23 counties. An internal auditor and an accounting analyst are funded from this unit. The auditor's principal duty is to travel around the state and perform in-depth audits of all circuit courts on a 2-year audit cycle. This individual also audits financial transactions of the Supreme Court and other special audits as deemed necessary (fixed assets, federal funds, etc). The accounting analyst has many duties, including processing invoices and payments of the courts, extensive technical support to court clerks on accounting, the case management system, and month- and year-end processes. The accounting analyst also performs various desk reviews and assists the auditor in performing audits as necessary.

**STANDARD BUDGET REQUEST NARRATIVE**

**100 Series – Personal Services:** Funds in this category provide salary and benefits for one internal auditor and one accounting analyst

**200 Series – Supportive Services:** Funds in this category are used to cover daily operations of the unit and travel expenditures associated with auditing of the courts.

**400 Series – Central Services/Data Services:** The 400 series funds are used to pay telecommunication services for the employees in this unit.

**900 Series – Contractual Services:** Funds in this category are used to pay contractual expenses associated with investigations of courts. A standard audit step is to request copies of supporting documentation of bank deposits.

## EXPENSE ORGANIZATION OVERVIEW

The Wyoming Supreme Court, district courts, and circuit courts are continuing a multi-year master plan to implement statewide electronic management of judicial cases and workload. The ultimate goal of this plan is to utilize current and future technology to facilitate accessibility, efficiency, effectiveness, and reliability in all court business. The Supreme Court fully comprehends the significant effects of continued depressed revenue this biennium. The expenses associated with automating court functions, however, are critical to the core mission of the Judiciary. Electronic automation requires the compilation of data in centralized repositories with the technology to share information in a streamlined and uniform fashion. The data must be managed and maintained to ensure confidentiality, security, and accurate distribution to agencies, judicial partners, and the public. The automation process also involves continuous enhancement and refinement of the electronic data collected. With the support of the legislature, the Judicial Branch has made substantial progress in achieving statewide court automation. The highest priorities of this division are critical technology costs and staffing. Completing court automation, including electronic case filing and expanded electronic ticketing, will decrease manual entries, staff time, duplication of effort, and staff costs, which will directly benefit all court users.

## INTRODUCTION

The Judicial Systems Automation (JSA) account is a special revenue fund which was created by the legislature in 2000. The JSA is a critical funding source for the ongoing operations of statewide electronic services and courtroom technology that support all state courts and 11 municipal courts. This includes procurement and support of data collection, management, aggregation, and distribution systems, as well as technologies that enhance or streamline court processes such as video appearances, electronic payments and public access. Data from these services is increasingly used for statistical reporting, investigative functions, and public safety. Together, these services comprise a key electronic cornerstone of a robust Wyoming justice information framework that broadly facilitates electronic communication between courts, judicial partners and other branches of government. Examples include the complete automation and handoff of court disposition data to the DOT Driver Services' Division for driver history database, and the Division of Criminal Investigation to populate WyCJIS with criminal offender information maintained by the courts. Funds will also be used to make standardization of courtroom technology statewide, a reality. JSA account funding is expected to be an ongoing source of funding for the statewide judicial automation system and courtroom technology.

## STANDARD BUDGET REQUEST

100 Series – Personal Services: Funds in the 100 series are used to provide salaries and benefits for eleven (13) technology employees.

200 Series – Supportive Services: The 200 series funds are used to provide technology services to courts throughout the state of Wyoming. The Supreme Court, circuit courts, district courts and several municipal courts rely on the technical services of this office to maintain daily operations.

900 Series – Contractual Services: Funds in this category are used for professional services related to the design, development, deployment, and enhancement of Wyoming's judicial systems.

**EXCEPTION BUDGET REQUEST**

During the 2017 legislative session, the JSA fee was increased from \$10 to \$25, effective July 1<sup>st</sup>, 2017. The increased fees are now flowing into the Judicial Systems Automation account. In order to utilize the new additional revenue, the Court is requesting an increase in spending authority encompassed in the following three (3) exception requests:

**Courtroom Technology (Priority # 1)**

One of the core reasons behind the increase in the fee was to provide a permanent funding source for courtroom technology. Through an audit conducted in 2016, the Branch was made aware of many issues surrounding the installation and upkeep of technology systems in courtrooms. The key issues found were inconsistent implementation, a lack of a dedicated funding source, and a lack of clear delineation lines of responsibilities of the counties and the State. With the funding source now in place, we can now implement courtroom technology in a consistent manner. Rollout and on-going maintenance will be done in a staged manner over several biennia. The order of the rollout to state courtrooms is principally based on the current rating of the courtroom's technology, with those being rated lowest receiving upgrades first. Additionally, courthouses that are currently being remodeled or rebuilt are also prioritized. The nature of these expenditures require that they are one-time requests; however, we would expect to have similar requests each biennium as the statewide upgrades are implemented. **OF THIS AMOUNT, \$3,600,000 IS A ONE-TIME REQUEST.**

0242	Data Processing/Computer Equipment (Special Revenue)	\$1,800,000
0292	External Maintenance Contracts (Special Revenue)	\$ 200,000
0903	Professional Fees (Special Revenue)	<u>\$1,800,000</u>
		<u>\$3,800,000</u>

**District Court/Circuit Court Case Management Systems/E-Filing (Priority # 2)**

Next year the Branch will begin implementation of the FullCourt Enterprise system throughout the state. Large statewide implementations come with large on-going maintenance and support costs to keep the systems functional. On-going support and maintenance includes, but is not limited to, product version upgrades, corrections and/or replacements for software errors, remote diagnostics and access to technical support.

0292	External Maintenance Contracts (Special Revenue)	\$1,170,000

**Workstation Refresh/Operating System Upgrade (Priority # 3)**

During December 2016, the Branch embarked on an audit of our network infrastructure. During that audit, aging hardware was identified as a substantial risk. Additionally, the predominate operating system within the Branch will no longer be supported beginning in early 2020. In order to keep the Branch up to date on security patches and to replace aging hardware, the Branch requests the following funds. **THIS IS A ONE-TIME REQUEST.**

0240	Intangible Assets/Software (Special Revenue)	\$ 100,000
0242	Data Processing/Computer Equipment (Special Revenue)	<u>\$ 400,000</u>

## EXPENSE ORGANIZATION OVERVIEW

Retirement for Supreme Court Justices and District Court Judges who were appointed prior to July 1, 1998 is provided for by W.S. 5-1-106. This statute indicates the judges will receive a maximum lifetime annual pension of fifty percent (50%) of the salary currently authorized by law for judges of the court from which they retired. Judges who were appointed after July 1, 1998 are entitled to benefits through the Judicial Retirement Plan, which is part of the Wyoming Retirement System.

## JUDICIAL RETIREMENT

**0101 Salaries – Set by Law:** \$1,913,193 of the Standard Budget amount is to cover the judicial retirement benefit for two (2) retired Supreme Court justices, 10 district court judges, and five (5) spouses. The Judicial Retirement program was established as part of the Supreme Court's budget in 1993. Prior to that time, benefits for retired Supreme Court Justices were included in the Supreme Court's budget and benefits for retired district court judges were included with the budget for the court where the judge had been active. During the 2017-2018 biennium, two judges receiving benefits under this plan passed away.

Fifty thousand dollars (\$50,000) is a shared pot of money to cover the cost incurred when the Supreme Court, a District Court, or a Circuit Court uses a retired judge to provide judicial services in their court and does not have sufficient funds in their budget.

**EXPENSE ORGANIZATION OVERVIEW****JUDICIAL POLICY & ADMINISTRATION**

This program was created within the Supreme Court's budget for the Board of Judicial Policy and Administration. The Board's budget includes items that have application to the entire Judicial Branch across multiple divisions within the judiciary.

**STANDARD BUDGET REQUEST**

**100 Series – Personal Services:** Funds in the 100 series cover the unfunded liability for annual leave and sick leave buy-outs for long term employees who retire or terminate their employment within the judicial branch. Because of the fiscal impact on a court budget when an employee retires, the buy-out can require the position to be vacant for several months. In the district courts or smaller circuit courts, this is not a practical solution. These funds are only used as a contingency when sufficient funds are not available in a court's individual budgets. Funds not used for the specific purpose of leave buy-outs revert to the general fund.

**200 Series – Supportive Services:** Funds in the 200 series provide Westlaw access for the Supreme, District, and Circuit Courts. The 23 District Court Judges, district court law clerks, and 24 Circuit Court Judges use Westlaw daily. Westlaw provides its users speed, currency, (e.g. the text of most opinions from U.S. jurisdictions are available online within hours of release) and an ability to manipulate data that is not available in print resources. In 2007, the Attorney General determined that if a membership to the Wyoming State Bar was required of attorneys to obtain employment with the State of Wyoming, then the dues for that membership may be paid by the State. The Wyoming State Bar gives honorary memberships to judges; however, funds are budgeted to cover the membership of approximately 37 other attorneys employed by the branch. Funds in the 200 series are also used to provide travel reimbursement for members of the Board of Judicial Policy and Administration and the Wyoming Court Security Commission.

**900 Series – Contractual Services:** The majority of funds in this series cover the cost of hourly magistrates providing judicial services to drug courts established within the State. In some counties where the judge is not able to provide judicial services to the drug court, an hourly magistrate is hired. Funds in the 900 Series are also available to law enforcement to cover the additional expense of court security in high profile cases, as well as other critical court security needs. Lastly, funds in this series are used to facilitate continuing judicial education for the five justices, 47 judges, and six full-time magistrates.

## Expense Organization Statutory Authority

W.S. 33-5-106                      Application fees to practice law in Wyoming are deposited in an earmarked revenue fund to pay administrative costs of licensing attorneys.

The Wyoming Supreme Court licenses attorneys to practice law in the State. The Wyoming Board of Law Examiners, which is comprised of five Wyoming attorneys, acts on behalf of the Court and coordinates all the details associated with admission to the practice of law. Specifically, the Board of Law Examiners meets at least once per month to process applications for admission, meets twice per year to grade the bar exam, attends grading workshops twice per year, makes recommendations to the Supreme Court for admission of applicants, and develops and proposes rule revisions as required.

The Character and Fitness Committee, which is adjunct to the Board of Law Examiners, evaluates applicants' character and fitness to practice law and makes recommendations based on those findings. This process involves conducting character and fitness hearings as required.

The Board of Law Examiners is supported by staff of the Wyoming State Bar. Significant staff time is required to administer the admissions process, including giving the bar exam twice per year and organizing and staffing the monthly meetings of the Board of Law Examiners and the Character and Fitness Committee.

The requested funds are used in part to pay costs of the administration of the bar exam (exams, exam facility, proctors and supplies); printing the completed bar exams; grading the written portion of the exam; screening applicants for character and fitness; national training for Board and Committee members and Wyoming Bar staff; part of the personnel costs for Wyoming Bar staff; meetings; teleconferences; hearings; and postage. The Wyoming Supreme Court oversees the Board of Law Examiners. Oversight functions include review of expenditures, rules, and procedures to ensure compliances with statutory and constitutional responsibilities and obligations. The requested funds will also be used to pay the costs of administrative oversight.

**EXCEPTION BUDGET REQUEST**

**\$61,250 – Bar admissions:** The Board of Law Examiners is requesting an increase in spending authority in the amount of \$61,250 to cover increasing costs associated with Bar admissions. Below are several factors that impact the Board's projections for the next biennium:

- 1) Rule 102(a) of the Rules and Procedures Governing Admission to the Practice of Law was amended in April 2016 to increase the Character and Fitness Committee (total of three) to four active, resident members of the Bar and one non-lawyer with special training in substance abuse, mental health, financial management or another area of value to the assessment of good moral character and fitness to practice law of applicants. This change increased costs associated with travel to hearings and national conferences when necessary.
- 2) Rule 403 of the Rules and Procedures Governing Admission to the Practice of Law was also amended in April 2016 to allow for increased due process for applicants and a more efficient character and fitness screening process. The Board anticipates an increase in the number of face-to-face hearings with this change.
- 3) The Board has seen an increase in special testing accommodation requests, and this is a national trend. Accommodating these requests often results in additional facility expenses (i.e. private, proctored rooms; semi-private rooms for nursing mothers, etc.). This increase has also necessitated obtaining expert advice from a physician to ensure compliance with the Americans with Disabilities Act.
- 4) The National Conference of Bar Examiners currently subsidizes expenses for one grader to travel to each grading workshop (two per year). The Board has been notified by the Conference that this subsidy will be discontinued in 2018.
- 5) In recent years, the Wyoming State Bar has recognized the need to put security measures in place on the days the exams are administered. This has resulted in increased costs for police/security personnel to ensure the safety of those present. It has also resulted in increased costs for metal detectors and/or personal wands to ensure that all persons entering the testing room are compliant with National Conference of Bar Examiners standards.
- 6) Presently, applicants pay a \$600.00 application fee to the Supreme Court. The Court retains \$50.00 of each fee to cover administrative costs, and the remaining \$550.00 is deposited into this special revenue account. The Department of Audit recommends that the entire \$600.00 be deposited into the special revenue account, with \$50.00 then being paid from the account to the Supreme Court as an expense. This change in accounting procedure will have no net effect on the account balance or the way funds are functionally expended. However, it will result in an increase of recorded revenue of \$18,000-\$20,000 per biennium, with a corresponding increase in expenditures of the same amount. Thus, it is necessary to request an increase in spending authority in conjunction with making this accounting change.

### EXPENSE ORGANIZATION OVERVIEW

Article 5, Wyoming Constitution, Section 5-3-101 through Section 5-3-111, inclusive, W.S. 2001 Republished Edition, established and define the general activities of the judiciary.

Section 5-3-401 through Section 5-3-412, W.S. 2001 Republished Edition, define the activities, duties, and responsibilities of the district court reporter.

The services provided by the First Judicial District, and the area of responsibility, is the administration of a court of law on the district level.

The District Court and position of Judge are constitutionally created and constitutionally and statutorily empowered.

Objectives and Goals: The effective operation of a court of law; keeping abreast of advancing caseloads and timely disposition of cases; the retention of competent staff.

Caseload and disposition statistics are on file with the Wyoming Supreme Court and are available on request.

The District Court is a court of unlimited general jurisdiction, and in the First Judicial District, hears and determines matters and cases generally as set forth:

1. All felonies
2. Juvenile matters
3. Workers' compensation appeals
4. Probate (decedents' estates, guardianships, adoption)
5. Involuntary commitments
6. All civil actions not commenced in circuit court
7. Appeals from circuit and municipal courts
8. Appeals from actions of state, county, and local governmental entities
9. Various writs

The District Court Judge is empowered to convene grand juries and petit juries.

Actions at law are appealed directly from the District Court to the Wyoming Supreme Court.

Agency Name: Judicial District 1A (Cheyenne)	Agency Number: 120

Expense Org. Name: Administration	Unit Number: 0101

The District Judge has support personnel under his direct supervision and control as follows:

1. Court Reporter. Duties: To make a stenographic record of court proceedings, prepare transcripts, and various office functions. The court reporter is a statutory position.
2. Judicial Assistant. A Judicial Assistant is employed by District 1A. In the First Judicial District, there are over 300 lawyers who are constantly calling the Judges and appearing in the Judges' chambers for probate matters, criminal and civil settings and motions hearings, all of which require the Judicial Assistant to be acting as receptionist, taking telephone calls, making appointments for lawyers with the Judge, as well as handling all correspondence and legal opinions that need to be typed for the Judge.
3. Law Clerk. The Law Clerk is a graduate of an accredited law school and has passed the Wyoming State Bar. The Law Clerk does legal research, which saves countless hours of judicial time. Without research by the Law Clerk, the Judge would be required to spend many hours each week out of the courtroom and not handling legal business, but instead doing research. The Law Clerk makes it much more expeditious for the Judge in keeping up with the caseload.

#### STANDARD BUDGET REQUEST NARRATIVE.

### EXPENSE ORGANIZATION OVERVIEW

Article 5, Wyoming Constitution, Section 5-3-101 through Section 5-3-111, inclusive, W.S. 2001 Republished Edition, established and define the general activities of the judiciary.

Section 5-3-401 through Section 5-3-412, W.S. 2001 Republished Edition, define the activities, duties, and responsibilities of the district court reporter.

The services provided by the First Judicial District, and the area of responsibility, is the administration of a court of law on the district level.

The District Court and position of Judge are constitutionally created and constitutionally and statutorily empowered.

Objectives and Goals: The effective operation of a court of law; keeping abreast of advancing caseloads and timely disposition of cases; the retention of competent staff.

Caseload and disposition statistics are on file with the Wyoming Supreme Court and are available on request.

The District Court is a court of unlimited general jurisdiction, and in the First Judicial District, hears and determines matters and cases generally as set forth:

1. All felonies
2. Juvenile matters
3. Workers' compensation appeals
4. Probate (decedents' estates, guardianships, adoption)
5. Involuntary commitments
6. All civil actions not commenced in circuit court
7. Appeals from circuit and municipal courts
8. Appeals from actions of state, county, and local governmental entities
9. Various writs

The District Court Judge is empowered to convene grand juries and petit juries.

Actions at law are appealed directly from the District Court to the Wyoming Supreme Court.

Agency Name: Judicial District 1B (Cheyenne)	Agency Number: 121
Approp. Org. Name: Administration	Division Number: 0100
Expense Org. Name: Administration	Unit Number: 0101

The District Judge has support personnel under his direct supervision and control as follows:

1. Court Reporter. Duties: To make a stenographic record of court proceedings, prepare transcripts, and various office functions. The court reporter is a statutory position.
2. Judicial Assistant. A Judicial Assistant is employed by District 1A. In the First Judicial District, there are over 300 lawyers who are constantly calling the Judges and appearing in the Judges' chambers for probate matters, criminal and civil settings and motions hearings, all of which require the Judicial Assistant to be acting as receptionist, taking telephone calls, making appointments for lawyers with the Judge, as well as handling all correspondence and legal opinions that need to be typed for the Judge.
3. Law Clerk. The Law Clerk is a graduate of an accredited law school and has passed the Wyoming State Bar. The Law Clerk does legal research, which saves countless hours of judicial time. Without research by the Law Clerk, the Judge would be required to spend many hours each week out of the courtroom and not handling legal business, but instead doing research. The Law Clerk makes it much more expeditious for the Judge in keeping up with the caseload.

## EXPENSE ORGANIZATION OVERVIEW

Article 5, Wyoming Constitution, Section 5-3-101 through 5-3-111, inclusive, W.S. 1977 Republished Edition, establish and define the general activities of the judiciary. Objectives of the District Court, specifically Judicial District 5A include: justly presiding in a court of law, hearing and deciding the outcome of cases while being as fair and impartial as humanly possible and effectively and efficiently managing the caseload. This management involves scheduling matters to be heard while avoiding unnecessary delay in determining the disposition of cases, and supervising and retaining competent personnel to assist in successful completion of the aforementioned objectives. Caseload and disposition statistics for Judicial District 5A are currently on file with the Wyoming Supreme Court and are available upon request.

5. Involuntary commitments to the Wyoming State Hospital
6. Civil actions not commenced in county court
7. Appeals from county and municipal court
8. Various writs

### EXPENSE ORGANIZATION OVERVIEW

(a) The Ninth Judicial District consists of Fremont, Sublette and Teton Counties. (W.S. 5-3-101) The Ninth Judicial District is allowed three judges (W.S. 5-3-102).

The district courts are the only courts of general jurisdiction in Wyoming. They have original jurisdiction in all cases at law and in equity, in criminal felony cases, matters of probate, and all other proceedings, which are not exclusively vested elsewhere. They have power of naturalization; appellate jurisdiction from justice, county and police courts; power to issue writs of mandamus, quo warranto, review, certiorari, prohibition, injunction, and habeas corpus. (Wyoming Constitution, Article 5, Section 10) The district judges are judges of the juvenile courts. (W.S. 5-8-101, 1020) They have many other miscellaneous duties; such miscellaneous duties include dealing with incompetency (including alcoholism), voluntary and involuntary hospitalization proceedings, exceptions to marriage requirements, enforcement of child support, child custody, and child protection matters.

(b) It is important to note that the court business is quite different in each county and each district -- on account of population and distance differences, tax resource differences, political characteristics, and a myriad of community-based differences. The Ninth Judicial District serves approximately 73,000 citizens

(c) The basic costs incurred by Judicial District 9A and generally covered by the standard budget are not unique. All of our costs are administrative: including personnel, day to day office expenses, travel and education expenses, fees for transcripts (pursuant to 5-3-410), and normal office equipment.

### BASE BUDGET REQUEST NARRATIVE

The Eighth Judicial District covers Converse, Goshen, Platte and Niobrara Counties. District 8A handles responsibilities entirely in Goshen County and shares responsibilities in conjunction with District 8B for Platte and Niobrara Counties. In addition, the District Judge of 8A is occasionally assigned duties in other districts throughout the State and occasionally assists the Supreme Court when conflicts or health problems with judges of other jurisdictions arise.

Judicial District 8A provides a judicial forum for Criminal Court, Civil Court, Probate Court, Juvenile Court, and acts as an Appellate Court for the Municipal Court, Circuit Courts, and State Agencies. The matters involved range from juvenile shoplifters to murderers, from the division of a deceased's estate to questions concerning the propriety of the State Engineer's actions, and family protection orders to divorce trials. The Court also acts as a mediator throughout the State. With the wide spectrum of matters before the Court, the time involved per case can run from five minutes for an uncontested divorce to weeks for a complex water rights trial.

It is the goal of this Court to dispose of matters as promptly as possible, yet provide all parties a full opportunity to present their positions. This Court strives to provide prompt and efficient administration of justice to the citizens that it serves.

Full time offices are maintained in Torrington. In addition, minimal facilities are maintained in Wheatland and Lusk. The Judicial Assistant types correspondence, decision letters, opinions, court orders, case management orders, etc., maintains the library, orders office supplies, submits vouchers through the WOLFS system, maintains travel expense records and submits the same through the WOLFS system, assists with budgeting matters, and acts as a receptionist. The Judicial Assistant schedules hearings for the judge in all four counties in the district, and coordinates that schedule with attorneys' schedules. The Court Reporter records verbatim stenographically anything requested by the Court or attorneys and then, when requested, transcribes it to printed form. The Court Reporter also maintains all exhibits presented in Court. The duties of the District Judge include deciding legally contested matters, advance research on matters that will be coming before him and study of the issues presented to him. This requires extensive use of a legal library, on-line Legal Research materials, and continuing education. Pre-trial conferences are held to minimize the time required for trial. The Judge presides over jury trials. The Judge is the administrator of this office and gives time to maintaining good public relations. To provide judicial services, the District Judge travels regularly within the district and also provides services to other judicial districts. This District Judge also accepts assignments of disputes from other Districts for mediation pursuant to WRCP 40.

The district courts are the only courts of general jurisdiction in Wyoming. The district judges are judges of the juvenile courts and have jurisdiction over delinquent children, children in need of supervision, and child protection matters. The district judges are judges in family law matters, presiding over divorce, child custody, child support, paternity, adoption and termination of parental rights matters. The district judges have jurisdiction in civil matters where the amount in controversy is over \$50,000. They have many other miscellaneous duties, such as dealing with incompetency, voluntary and involuntary hospitalization proceedings, private road proceedings, and declaratory judgments.

- (b) It is important to note that the mix of court business is quite different in each county and each district -- on account of population and distance differences, tax resource differences, political characteristics, and a myriad of community- based differences. The Ninth Judicial District serves approximately 73,000 citizens.
- (c) Each judge has primary responsibility for providing complete judicial service within the district of his/her residence. However, since it sometimes occurs that the resident judge is disqualified from a specific case (a close relationship with a party, former counsel of a party, interest in the proceeding, etc.), each judge is called upon to hold court in other parts of the state with some frequency. (Wyoming Constitution Article 5, Sect. 11).
- (d) Only a portion of the court's time is spent in the courtroom. Other extended periods of time are spent reviewing files for further action, and in reading pleadings and researching the law prior to appearing for hearings or trials, making rulings and writing decisions. Time is also spent communicating with attorneys and making presentations to community groups, attorney associations, and students. Traveling to and from various courts to hold hearings on assignment are also responsibilities that consume working hours for the judge.
- (e) The basic costs incurred by Judicial District 9B and generally covered by the standard budget are not unique. All of the costs are administrative: including personnel, day to day office expenses, travel and education expenses, fees for transcripts (pursuant to 5-3-410), and normal office equipment.

**EXPENSE ORGANIZATION OVERVIEW**

(a) The Ninth Judicial District consists of Fremont, Sublette and Teton Counties. (W.S. 5-3-101) The Ninth Judicial District is allowed three judges (W.S. 5-3-102).

The district courts are the only courts of general jurisdiction in Wyoming. They have original jurisdiction in all cases at law and in equity, in criminal felony cases, matters of probate, and all other proceedings, which are not exclusively vested elsewhere. They have power of naturalization; appellate jurisdiction from justice, county and police courts; power to issue writs of mandamus, quo warranto, review, certiorari, prohibition, injunction, and habeas corpus. (Wyoming Constitution, Article 5, Section 10) The district judges are judges of the juvenile courts. (W.S. 5-8-101, 1020) They have many other miscellaneous duties; such miscellaneous duties include dealing with incompetency (including alcoholism), voluntary and involuntary hospitalization proceedings, exceptions to marriage requirements, enforcement of child support, child custody, and child protection matters.

(b) It is important to note that the court business is quite different in each county and each district -- on account of population and distance differences, tax resource differences, political characteristics, and a myriad of community-based differences. The Ninth Judicial District serves approximately 73,000 citizens.

(c) The basic costs incurred by Judicial District 9C and generally covered by the standard budget are not unique. All of our costs are administrative: including personnel, day to day office expenses, travel and education expenses, fees for transcripts (pursuant to 5-3-410), and normal office equipment.

**BASE BUDGET REQUEST NARRATIVE**
