V. THE AMERICANS WITH DISABILITIES ACT OF 1990

This includes removing architectural barriers by altering existing facilities where feasible or relocating services to an accessible site. It also includes removing communication barriers by providing Auxiliary Aids and services which would allow an Individual with a Disability to effectively work in the courts, represent a client, be a party in a lawsuit, testify as a witness, serve on a jury, or observe a hearing or trial.
- C.** In providing Reasonable Modifications, the Wyoming Judicial Branch will give primary consideration to the modification requested by the Applicant. However, an alternative modification may be implemented if equally effective. Every effort shall be made to meet the specific needs of the Applicant. However, the Wyoming Judicial Branch is not required to make modifications that would fundamentally alter the service or program or cause undue financial or administrative burden.

VI. REQUESTS FOR MODIFICATION

- A.** A person requiring a modification to obtain access to Court Proceedings, programs, services, court records, or activities at the Wyoming Supreme Court, Chancery Court, any District Court or any Circuit Court should contact the Statewide ADA Coordinator.

If a Request for Modification is not received five (5) business days prior to the date for which the modification is sought, it will be deemed untimely and addressed as set forth in Section VII of this Policy.

VII. UNTIMELY REQUESTS FOR MODIFICATION

- A. If an untimely Request for Modification is made by a participant (party, witness, etc.), and a Reasonable Modification cannot be made without delay, the court shall postpone, reschedule, or otherwise delay the Court Proceeding, judicial program, service, or activity affected until a Reasonable Modification can be achieved. The court must ensure the delay will not infringe on other protected rights. Under such circumstances, the Applicant shall be required to immediately submit a written request. If appropriate or upon request, court personnel will provide assistance with writing and submitting the Request for Modification.
- B. If an untimely Request for Modification is made by a non-participant (public, media, family member, etc.), and a Reasonable Modification cannot be made without delay, the court shall not be required to postpone, reschedule, or otherwise delay the Court Proceeding, judicial program, service, or activity affected. Under such circumstances, the Applicant should immediately submit a written request. If appropriate or upon request, court personnel will provide assistance with writing and submitting the Request for Modification.

- C. If an untimely Request for Modification is made, and a Reasonable Modification can be made without delay, the court shall immediately grant such modification without requiring an advance written request. In such a case, a *Request for Modification Form* shall be completed by either the person requesting the modification or court personnel. The *Request for Modification Form* and the action taken shall be provided to the Statewide ADA Coordinator to maintain in accordance with this Policy.

VIII. DECISIONS ON REQUESTS FOR MODIFICATION

- A. Once a Request for Modification has been received, the Statewide ADA Coordinator will, as soon as practicable, notify the Applicant of the decision on the request and, if granted, of the modification to be provided. An alternate modification may be offered instead of the requested modification if the Statewide ADA Coordinator or the court determines another equally effective modification is available.
 - 1. If necessary, the Statewide ADA Coordinator may require the Applicant to provide additional information about the Disability to determine the appropriate modification to meet the Applicant's needs.
 - 2. Under no circumstances will the Statewide ADA Coordinator be permitted to request information regarding the Applicant's Disability that is not necessary for the evaluation of the modification requested.
- B. If the Statewide ADA Coordinator determines additional time may be necessary to make a modification, the Statewide ADA Coordinator shall notify the judge presiding over the matter, who will determine an appropriate course of action.
- C. A Request for Modification may be denied only if the Statewide ADA Coordinator finds that:
 - 1. The person making the request is not a Qualified Individual with a Disability; or
 - 2. The requested modification would create an undue financial or administrative burden; or
 - 3. The requested modification would fundamentally alter the nature of the Court Proceeding, judicial program, service or activity; or
 - 4. The Applicant has refused to comply with this Policy after being notified of its terms; or
 - 5. The Applicant's failure to comply with this Policy makes it impossible or impracticable the ability to provide the requested modification.
- D. The Applicant shall be notified of the decision to grant, deny, or provide an alternative modification when a Request for Modification is received as soon as possible. Such notification shall be made in writing by the Statewide ADA Coordinator. The notice may also be provided orally, by the court, if necessary to avoid delay.

Service Animals are permitted to accompany Individuals with Disabilities in all areas of the Facility where the public is normally permitted. Service Animals must be under the control of their handlers at all times. Service Animals must be harnessed, leashed, or tethered, unless these devices interfere with the Service Animal's work or the handler's Disability prevents using these devices. In that case, the handler must maintain control of the animal through voice, signal, or other effective controls. Service Animals must be housebroken.
- B.** Individuals with Service Animals may be asked if the animal is a Service Animal and inquire into the service the animal provides and into the training the animal has received. However, an individual shall not be required to show identification or certification of the Service Animal's status or of the individual's Disability.
- C.** Animals whose sole function is to provide comfort or emotional support do not qualify as Service Animals. The use of an emotional support animal will be reviewed on a case- by-case basis and at

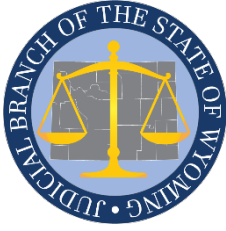

the discretion of the presiding judge.

IV. QUALIFICATIONS OF SIGN LANGUAGE INTERPRETERS

- A. All Sign Language Interpreters provided by the courts shall sign an oath to abide by the *Interpreter's Code of Ethics*, which is attached to this Appendix as Attachment C, and can be found on the Wyoming Judicial Branch website.
- B.
